

How to cancel or modify garbage and recycling day reminders and digital calendars

1. For email reminders, click **Cancel or modify this reminder** at the end of the email message. You will be able to make changes to your notification settings on the next screen.

2. Text and phone call reminders can only be created or canceled. They cannot be modified.
3. For text message reminders, Reply **Stop** to the text you received to cancel future notifications
4. For phone call reminders, **there is an option to cancel at the end of each call.**
5. For more on modifying or canceling notifications, click the **Need Help?** button in the online tool and choose **I would like to cancel or modify my reminder.**

6. Collection schedules can be removed from personal digital calendars by following the steps listed under **Need Help?**
