

## How to set garbage and recycling day reminders

1. Go to the Washington County Solid Waste and Recycling webpage to find the Garbage and Recycling Day tool. [WashingtonCountyRecycles.com/GRD](https://WashingtonCountyRecycles.com/GRD)
2. Enter your address. Include both the house number and street.
3. Click the **Get a reminder** button.

OR

4. Select the reminder method you prefer. Choose from an **email**, **phone call**, or **text message**.
5. For email notifications, click **Email**, enter your email address and set the day and time you would like the email to arrive in your inbox.
6. For a voice call notification, click **Phone call** and enter your phone number and the day and time you would like a call. You will then receive a confirmation call to activate your notifications.
7. For text messaging, click **Text message**. Enter your phone number and the day and time you would like a text. You will then receive a confirmation text to activate your reminders.
8. If you choose the **Service alerts only**, you will only receive notification when collection service is disrupted. You will not receive reminders of your regular collection days or notification for special events.
